There will always be a need for someone to carry and protect others. Two weeks ago, 2 men car jacked a seller of a vehicle, and the next day, there was a shooting at the local bowling alley. These criminals can be stopped if law abiding citizens are carrying. Please do not pass an 16 and strip law abiding citizens of the right to protect themselves and/or relegate legal purchasers of firearms to criminality, while criminals have no regard for laws in the first place.

Thank you,

Daniel
